

St. Vincent Ferrer Parish
Kroger Card Program
(Formerly known as the Focus 50 program)

You shop at Kroger - Kroger pays SVF!

**It is very easy to participate in the SVF Kroger Card Program.
In fact, it's as easy as One, Two, Three!**

One - Pick up your reusable SVF Kroger Card at the Parish Office.

When volunteers are selling gift cards after Mass, you can also get one from them. The card comes "loaded" with \$1.00 (please pay \$1.00 for the card).

Two - Load additional funds onto the card at any Kroger store.

You can do this at the service desk before you shop (recommended), or you can load the card at the register when you are ready to check out. If you load your card at the register, it has to be loaded **before** the cashier starts scanning your groceries.

Three - Use the card to pay for your groceries, prescriptions and gasoline at any Kroger store.

- Just swipe your loaded Kroger Card to pay at check out.
- You can still use your Kroger Plus discount card.
- You can use the card at any Kroger - it does not have to be the store where you loaded it.
- You can reload the card over and over.

Your groceries, prescriptions and gasoline cost the same, but when you use your SVF Kroger Card, Kroger pays St. Vincent Ferrer Parish 4% of every dollar you spend.
